BREW DIFFERENT

VARIA GRINDER

LIGHTWEIGHT ALUMINIUM BODY

NON-SLIP - EASY TO GRIP
30 GRAM HOPPER CAPACITY

HANDLE

NATURAL WOOD

ULTRA SMOOTH ACTION

DETACHABLE WITH HOPPER COVER

DUAL BEARING DRIVE ASSEMBLY

The Varia grinder has been constructed with a dual bearing fixed drive assembly.

This results in the stabilisation of the drive assembly during grinding loads and results in minimal swing or yaw providing greater consistency and accuracy of particle sizes.
